

Prayer Partner's Commitment

In becoming a Pastor's Prayer Partner, I will make the following one year commitment:

1) Pray for our pastor(s) and church *every day* for one year. I sign and date this commitment card, to be displayed in our church.

2) To cover our church in prayer during the Sunday morning service. I commit to pray before I attend my Bible Fellowship groups. During the worship service, I will pray for those who are sitting around me and ask that God would speak to their heart in a powerful way.

I commit to the above,
